December 17, 2007.

P.C.:

The order of this Court dated 29th August 2006 is based on the consent of the parties and was passed at their request. The Learned Counsel for the Respondent urged, and not without merit that the effort of the Petitioner is to harass a woman employee who is a widow. The Review Petition is not maintainable. The Notice of Motion and the Review Petition are accordingly disissed.
